Thank you for your interest in First Baptist Church. We are very excited about the many opportunities for spiritual and personal growth we offer. Sometimes it seems like getting involved in a church is really complicated. How do I know where a group meets? How can I find one that's right for me or my kids? Who do I contact if I have any questions? This booklet gives details on the activities of each group, as well as the contact information of the leader in case you want more information. We offer a wide variety of experiences to choose from: music groups, bible studies, local service groups, youth and children's groups, senior activities, and more. We've arranged the groups into different sections so you can more easily find the group you need.

If you ever have any questions or need more information, feel free to call or e-mail the group's contact person. If you're still having trouble, contact the church office at office@fbcpeoria.com or call 309-682-5491. We wish you all of God's greatest blessings in the coming year as we all grow towards greater faith.
